Lions Club Broadcasts 5,000 Questionnaires on Proposal to Finance and Build Swimming Pool for Use of Residents of Community

Formation of Non-Profit Organization Suggested to Control Pool Property

Bonds Would Be of \$100 Size and Be Paid off From Profits

A questionnaire accompanied by a brochure were sent to nearly 5,000 persons in the Antioch area seeking opinion on the proposal to finance a community swimming pool.

The inquiry was made by a committee appointed by the Antioch Lions club to test public attitude toward the proposal and the result is expected to influence the club on its decision.

Although it is too early for a complete analysis of the returns, Dr. G. W. Jensen, co-chairman of the committee said today that both the number of replies and the enthusiasm for the project had exceeded expectations. He added that a very high percentage of the returned questionnaires indicated a willingness on the part of residents to invest in the project.

Heading the committee are Edward J. Kugle and Dr. G. W. Jensen, co-chairmen, and members are Homer La Plant, K. F. Deltrick, C. R. Keulman, Howard K. Gaston, Ted C. Larson, and Harold E. Cardiff.

Proposal is made in the brochure that the pool be financed by first, forming a non-profit corporation to own and hold title to the swimming pool and equipment, and then, by issuance and sale of first mortgage interest-bearing bonds, which would be paid off as earnings of the pool allow.

The questionnaire first seeks information whether the persons are permanent residents or summer residents, the number in the family—adults and children; and whether the family would use the pool or not.

Bonds for financing the pool would be issued in \$100 denominations and the question is asked how many will be subscribed for.

Space is then afforded for comments on the value of the swimming pool to the community.

No stamp is necessary to return the questionnaire.

The committee hopes that all replies will be returned within the next two weeks, so that if a favorable attitude is taken, the club can get busy on the project.

The committee has been working on compilation of the mailing list used for some weeks and while it is fairly complete, it is possible that some residents of the area have been missed. Any person who did not receive the mailing are asked to contact Dr. Jensen or The Antioch News.

Northwest Principals To Talk Over Round L. Joining Conference

Principals of the Northwest High School Conference have invited Principal Roy Forchard of the new Round Lake High school to discuss with them at their next meeting the problems surrounding the proposal that that school be taken into the conference.

This decision was reached at a meeting at Grant High school recently at which the administrators also agreed that in event football games are prevented being played because of flood, snow or other weather conditions, the principals of the schools involved may reschedule the game for the following Monday.

Principal Albert Dittmar, Antioch; L. H. Rouse, Grayslake; Thomas Montgomery, Grant; and Richard Warfield, Wauconda, are among the Lake county school administrators who are attending the National Association of Secondary School Administrators at Atlantic City this weekend.

Rainbow Plans Reception

The Antioch Assembly 23 Order of Rainbow for Girls held a regular meeting Monday evening, Feb. 14. Plans were made for a Grand reception for Miss Phyllis Petersen to be held Monday, Feb. 28 at 7:30 p. m. All Master Masons and Eastern Star members are cordially invited.

Miss Luisa Vos, daughter of Mr. and Mrs. E. F. Vos, N. Main st., Antioch, will return home Friday for the long mid-winter weekend from her classes at Ferry Hall. Over the weekend Miss Vos will have as her houseguest a classmate, Miss Bonnie Lou Earle of Blaney Park, Mich. Both girls are members of the School Glee club.

Rev. Martin Howard to Deliver Wednesday Sermons at St. Peter's

Beginning Ash Wednesday, Feb. 23, the Rev. Martin Howard, S. T. L. will deliver the sermons every Wednesday at 7:45 p. m. in St. Peter's church. Father Howard after his graduation from Visitation Grammar school attended Quigley Preparatory seminary and St. Mary's seminary at Mundelein. He was ordained in 1940. He then did post-graduate work at The Catholic University of America, Washington, D. C. for two years. For the past 14 years he has taught Classical Languages at Quigley Seminary.

Father Howard is well prepared for these talks. He has been active in Pre-Cana and Canna Conferences throughout the diocese. His presentation of the subject of marriage will be the result of years of analysis of pre-married and married couples. His talks will get at the heart of the matter—physical, psychological, and spiritual relationship of a man and woman in marriage.

These sermons will also be for those contemplating marriage. Fr. Henderson says that it is strange that a person wishing to become a lawyer, doctor, nurse, or teacher takes it for granted that he or she must study and train before expecting to be competent to handle and be happy in the work of his choice.

On the other hand, when it comes to marriage many seem to take it equally for granted that no preparation is necessary. They think that all they have to do is to find an attractive person, pop the question, slip on the ring, and settle down to a life of bliss and harmony. Result! Successful doctors, teachers, and others, but failure for many couples who enter marriage. Planned preparation will help you to be happy in marriage. Now—during Lent is the time to get this preparation.

Father Henderson also announces that everyone is invited. No couple—whatever the creed or background—can fail to be enriched and inspired by this insight into God's plan for marriage, offering the highest means of happiness possible for man and woman on earth.

The dates and subject matter of Father Howard's talks: February 23—Ash Wednesday Sermon. March 2—The Nature of Love. March 9—Psychology of Marriage. March 16—God's Purpose in Marriage. March 23—Man's Misuse of Marriage. March 30—Marriage as a Means of Sanctity and Salvation. April 6—Good Friday Sermon. Sermons—Wednesdays of Lent 7:45 p. m., St. Peter's Church.

Father Henderson announces the parish schedule for Lent. In order to give everyone an opportunity to attend Mass there will be two masses in the Church—one at 8:30 a. m. and the other at 8 a. m., except Saturdays when the masses will be at 7:30 and 8 a. m.

On Ash Wednesday, Feb. 23, ashes will be distributed after the 8 o'clock mass and after the services in the evening.

Besides the services on Wednesdays there will be devotions every Friday—Stations of the Cross at 2:30 p. m. and in the evening Stations of Our Sorrowful Mother and Prayers for Peace at 7:45 p. m.

Cardiff Steps Down From Lion Presidency For Health Reasons

Harold Cardiff, recently installed as president of the Lions club, exchanged posts with Norman S. Jedele, third vice president, it was announced at a meeting of the club at Ruralite Monday evening.

Health conditions made necessary Cardiff's relief from the more arduous task as head of the organization. President Jedele announced committees just as Cardiff had appointed them.

Committee reports included the report from the swimming pool committee which announced it had sent out 5,000 brochures and questionnaires seeking public opinion on the proposal to finance a community swimming pool.

Broken Axle Wrecks Train at Wadsworth

A broken axle on a Milwaukee Road passenger train traveling 85 miles an hour derailed eight of the 12 coaches of the train at Wadsworth Saturday night. Five persons were hurt as the cars tore up the track but didn't turn over. The dining car caught fire and was destroyed despite efforts of the Newport and Gurnee fire departments.

A school bus was used in taking 128 passengers to Rte. 173 where they boarded the four front cars still on the rails attached to the diesel engine, and were taken to Milwaukee where other cars were obtained to continue the trip to Minneapolis.

Ray Atwood Promoted Charles (Ray) Atwood, who has been serving in Korea for the past 15 months, was recently promoted to sergeant in the army. He will leave for the United States about March 16, and his wife, the former Mae Setek, is hoping he will be home for Easter. Atwood is the son of Mr. and Mrs. Charles A. Atwood of Channel Lake.

To Return to Mexico Word has been received from Rochester, Minn., that plans are being made by E. Morley Webb to take his mother, Mrs. Chase (Susie) Webb back to Hamburg, Mexico the last of this week. She is partly paralyzed from a recent stroke. Mrs. Webb is a member of a pioneer Antioch family.

Sequoits Meet Pirates Friday Night For Championship After Breaking Own And Conference Scoring Records In Defeating Bensenville 91-59; Haviland Scores 42 Points

Antioch and McHenry Paired in Open Round of Regional Tourney

Antioch will play McHenry at 6:45 p. m. Wednesday, March 2 in the first round of the regional basketball tournament at Elgin.

A glance at the pairings shows that the Sequoits have a tough job ahead but with the backing of their fans they plan to give as good account of themselves as they did last year.

McHenry is in the upper bracket of standing in the North Suburban conference and will provide real opposition.

The winner of that game will meet the winner of the Dundee-District winner which may be the big St. Edwards team, playing the second game that evening. The second round will be at 8:30 p. m. Thursday.

In the upper bracket of the tourney Grant will play Elgin at 6:45 p. m. Tuesday and Crystal Lake will play Woodstock at 8:30 that evening. The winners of these two games will play at 6:45 p. m. Thursday and the winner will then meet the winner of the bracket in which Antioch is placed at 8 p. m. Friday.

It is expected that Antioch will send a large crowd to cheer the Sequoits to victory.

Other members of the Northwest Conference will play at Glenbrook where Barrington is expected to have easy sailing. The first round pairings are Barrington vs. Grayslake, Elva-Vernon vs. Wauconda, Palatine vs. Glenbrook, and Arlington vs. Libertyville.

High School Choruses to Present Concert of Popular Music Feb. 26

The A Cappella choir and the Girls Glee club of Antioch Township High school are preparing a concert which will be held on Saturday, Feb. 26.

Besides the choir numbers there will be featured solos and ensembles and songs by the Boys Glee club. One of the solos will be by Lenore McCord at the piano.

Something new in the school concerts will be the presentation of a group of songs from a popular musical. The choir plan to present a resume of the musical hit "The King and I." Among the selections to be presented are "Hello Young Lovers," "We Kiss in a Shadow" and "Getting to Know You." Donald Chiappetta will be in charge of planning the resume.

This will be the first time that the music department will use the new portable chorus risers purchased this year by the school board.

Officers in charge of planning the concert are Judie Romer, president of the A Cappella choir; Don Cardiff, president of the Boys Glee club; and Joan Mair, president of the Girls Glee club. Tickets for the concert may be purchased from any member of the vocal groups.

Leg Broken in Fall at School

Glen Kirchmeyer, 7, a pupil in the second grade of the Antioch Grade school suffered a break in the large bone in his lower left leg Wednesday afternoon while shooting baskets in the school gymnasium when he fell in a strained position. The Antioch Rescue squad gave first aid and took him to the office of a local physician who reduced the fracture. Then the squad took him to his home. The boy is the son of Mr. and Mrs. Ken Kirchmeyer residing on Rte. 21 across from the new Grace Lutheran church.

Car Stolen Wednesday

The 1953 Ford car of Laddie Masek was stolen Wednesday evening some time between 7 and 9:30 p. m. while it was parked in front of the Antioch Recreation alleys. Masek said he parked it in front of the building shortly before 7 p. m. and locked it. When he started to leave he found the car gone. Walter Scott was called and the county police notified. So far no trace of the car has been found.

The automobile is a 1953 Ford Victoria with a black top and green bottom. The 1955 license plates bear the number Ill. 620-047.

Jayvees Nip Bensenville Lose To North Chicago

The Antioch High School Jayvees moved a little nearer to the conference championship in their division by defeating Bensenville Friday night 55 to 49. The score at the quarter was 11 to 10; at the half 23 to 21, and at the three-quarter mark 43 to 25 with Antioch leading all the way.

Ed Hastie was high point man with 23 points and Jerry Huml second with 18. Good floor work was executed by Bill Barnstable, Harry Evans and Wayne Herbst.

For Bensenville Hendricksen was high point man with 17 points. W. Langguth was a close second with 16.

Saturday night's game with North Chicago was a heart breaker for the Antioch frosh-soph squad for they lost in the last five seconds of play 47 to 48. Antioch led at the quarter 14 to 12; at the half 22 to 21; in the third quarter 38 to 32.

Michalski, 6 foot 4 inch North Chicago freshman not only scored 14 points for his team but worked effectively on the defense against Antioch. Mozzina, who tied him in points, scored the winning basket.

Edwin Gillings, 88, Hickory Farmer, Buried This Thurs.

Edwin Gillings, 88, of Wedge's Corners, Lake Villa, died at 8 p. m. Tuesday at St. Therese hospital, Waukegan following a lingering illness.

A life long resident of Lake County Mr. Gillings was born Mar. 18, 1866 at Wilson on Rte. 120.

Mr. Gillings farmed for many years in the Hickory Corners area, moving to Waukegan and then to Zion. His wife, Nancy, died in 1951 and he then went to the home of his nephew, Ernest Wells at Lake Villa where he resided.

Mr. Gillings retired 22 years ago as a lineman for the Illinois Bell Telephone Co.

Surviving are the brother, Fred, of Gurnee, and several nieces and nephews.

The funeral service was held at 1:30 p. m. today at the Strang Funeral home with the Rev. L. H. Messersmith officiating. Burial was at Mount Rest cemetery.

More Trailer Trouble For Antioch Resident

Nick Kantos, Antioch chef, again is having trouble over his trailer camp in North Chicago.

This time he is charged in county court by the State Department of Public Health with having no license at the time of the last inspection, Feb. 8.

His trailer court is at 2201 Dickey in the newly annexed Argonne area in the western part of North Chicago.

Mrs. Clarence Shultis went to Victory Memorial hospital Sunday and on Monday underwent surgery on one eye. The other eye will be operated upon later this week. Mrs. Shultis is suffering from glaucoma in its early stage and the fact that it was detected early means successful treatment.

Twelve Game Total 872 Points Tops Barrington Record Of 863 In 1952

Teams Established 91-Point Scoring Record, Repeat Against N. Chicago

Smashing two Northwest Conference scoring records as well as one of their own, the Antioch Sequoits rushed toward a championship goal Friday evening by defeating Bensenville Bisons there 91 to 59.

Antioch ran its total points for the season to 872 and thereby in 12 games topped the previous record of 863 in 14 games created by Barrington in the 1951-52 season. Two more conference games remain to be played.

The second record to fall was that of individual scoring. Mike Haviland led his team to victory with 16 field goals and 10 free throws for a total of 42 points, which erased the previous 41-point record set by Art Smejkal of Grant, Dec. 4, 1951.

The third record to tumble was the 91-point total score made by the Antioch team. It was the highest score any Antioch quintet has ever rung up, and just to prove that the accomplishment was not a freak, the Sequoits again chalked up 91 points the following night (Saturday) in defeating the North Chicago Warhawks who garnered 55.

Championship at Stake Friday night's game here with the Palatine Pirates, challengers to the first place position that Antioch now holds, will determine whether the Sequoits will hold an undisputed conference championship or will have to struggle for a joint possession of the title with that school.

This will be Antioch's last home game of the season and a tremendous crowd is expected to be attracted by this critical game.

Antioch teams will play at Zion Saturday evening and will wind up the season next Friday at Elva-Vernon which next to Palatine is the toughest team to beat.

Palatine defeated Antioch by a two-point margin there Jan. 7, and until Elva-Vernon laid them low two weeks ago, the Pirates had kept pace with the Sequoits.

Uphill Battle at First

The victory-over Bensenville was an uphill battle for the first 12 minutes. The two teams were tied 17-all at the end of the first quarter and at one point in the second quarter Bensenville led 27 to 23.

Then the Sequoits unlimbered their all-court press and bewildered the Bisons with a barrage of baskets that left them trailing 46 to 28 at half time.

Figuring heavily in the scoring in this half were Mike Haviland with 16 points and Fred Clarke with 11.

The Sequoits continued their deluge of the basket in the last half, again outscoring the Bisons in both quarters. Coach Dick Scott permitted the regulars to play and this gave Haviland the opportunity to top his own and the conference

Farmers Start Drive To Sell Hospital and Doctor Bill Insurance

Eligible residents of Lake county will have another opportunity to join the Blue Cross Plan for Hospital Care and the Blue Shield Medical-Surgical Plan during a re-enrollment which will open on February 18 and continue through February 28, it was announced today by Joseph Geier of Gurnee, president of the Lake County Health Improvement Association. As has been true in past years, the Lake County HIA is again sponsoring this enrollment in its campaign for better health for rural residents of the county.

All farmers and residents of the county living in towns of less than 2,500 who are self-employed or working in groups of less than 10 persons will be eligible for membership if they are under 66 years of age. Both husband and wife must be under 66 on May 1, 1955, the effective date, to enroll under a family membership, and they may include all unmarried children under 19 on their membership at the same low monthly dues.

Geier revealed that present Blue Cross members who joined through the Lake County HIA may add Blue Shield protection against doctor bills during the coming enrollment by making application for membership.

"Political 'Care'—Not Medical Care"

The Dallas Morning News has something worthwhile to say about the medical care problem, under the title "Private Security."

"Ninety-five of every 100 workers are now covered by some kind of private—not government—benefit program," the paper pointed out. "This is not the brag of private business. It is a government figure."

"Nine of ten have life insurance. Eight of ten have hospital insurance, and more than half of those have surgical policies. Six of ten are covered for sickness and accident. Five of ten have medical care. Six of ten have their own company pension coverage."

"Yet, there is growing pressure in Washington for the Federal Government to get into the medical business. It makes just as much sense as the government going into the automobile business so that those who don't have a car can have one—at taxpayers' expense. That pressure is for political 'care,' not medical care."

It's also significant that the growth of the various voluntary health insurance plans has been phenomenal in a short period of time. And that growth continues—which certainly proves that the majority of us want and can afford the protection.

There is, of course, a small percentage of indigent people who can't afford such insurance. They can be helped, in whatever measure is needed, without subjecting all the rest of us to politically-dominated medicine.

* * *

Freedom to Shop Around

A Canadian economist, Hart Buck of the Bank of Toronto, recently made an address entitled "Freedom to Shop Around." In the course of it he said, "Competition is nothing but freedom looked at upside down. In a market where buyers are free to shop around, sellers must outdo each other to get and keep customers. Through competition there is produced the maximum of goods and services that the public wants most. Competition does not mean 'dog eat dog.' Instead, it is the necessary preface to co-operation. Competition helps us to decide with whom we can best cooperate in production."

Freedom to shop around is found at all levels of economic activity. A business, for instance, buys the supplies and services it needs from other businesses which offer the best values. And every housewife exercises her freedom to shop around every day. When she goes out to buy foods or clothes or household wares or anything else, she patronizes those merchants who, in her opinion, will give her the most for the dollar. They may be chain stores or independent stores; they may be large or small. But competition forces all of them to offer every inducement they can—price, service, quality, more compelling advertising—to attract her trade.

It is competition that holds qualities up and prices down, and that forces the businessman to fight an endless war against waste and avoidable ex-

pense. Yes, competition is "freedom looked at upside down"—the other side of the coin. We can't prize it too highly.

* * *

Time for Decision

The 84th Congress will have a chance to do something the 82nd and 83rd Congresses failed to do. That is to get action started on a needed but long-delayed \$300,000,000 hydro-electric project on the Niagara river. The water became available as a result of a treaty signed with Canada in 1950, and Congress must decide how it is to be developed.

There is only one point of controversy. That is whether the power is to be developed on a socialized basis, by the federal government or the state of New York—or on a taxpayer, regulated, private-enterprise basis, by a group of five utilities which are all ready to go ahead.

In the last congress a private enterprise bill passed the House by the overwhelming majority of 2½ to one. But the partisans of socialism managed to prevent a Senate vote—so, under the rules, the matter must go through the legislative wringer all over again.

The issue at stake is as simple as it is important. The project has nothing to do with flood control, land conservation, or navigation. It has no connection whatsoever with the St. Lawrence Seaway. It will produce electric power and nothing but electric power. So it is a clear-cut test of whether we should pour more of the people's money down the freedom-destroying rat-hole of socialism—or permit private enterprise to do what it is eminently fitted to do. Of no small significance, it is estimated that if private enterprise undertakes the project, government—federal, state and local—will benefit to the tune of \$23,000,000 a year in new taxes. If government builds a plant it will be tax-exempt.

There can be no excuse for further delay. Let Congress make its decision.

The Low Down From Hickory Grove

In Longfellow, Hiawatha knew exactly where the berries hung thickest and where the fish and game were most plentiful, so I borrow the idea and broach the subject of where does wisdom prevail most plentiful in our U. S. A.—if it does such. I have in mind the 17 States that have governors and legislatures with sufficient keenness to see and read the handwriting on the wall on matters of WORK—and who shall or who shall not work. And at the bottom—or behind the scenes—are the people. So where wisdom prevails most is with the people themselves. And the governors and legislators most alert, get the drift.

Folks don't like to be told they must or mustn't—'taint a part of being an American. And like I see in the paper where the writer-man quotes John L. Lewis as saying "Unions could not exist without the closed shop because the workers do not desire to be union men." That's what the man said.

And now back to how the "Right to work" laws are working out since Louisiana has recently become the 17th "freedom to work" state. You can cast a wandering eye and observe prosperity rampant—especially down in Dixie way—down in the land of cotton, cinnamon seed and sandy bottom, look away, look away in Dixie. These 17 states with Right to Work laws are a beacon—If I was to get poetical. I doff my fedora.

Yours with the low down,
JO SERRA

I'VE HAD ENOUGH!
I'M GETTING A **Gas INCINERATOR!**

IT BURNS GARBAGE AND TRASH
INDOORS... FOR JUST PENNIES A DAY!

I'm through with the nuisance of a frozen garbage can—and a trash burner covered with snow! Through with the nuisance of stray dogs overturning the garbage can... (and who had the messy job of picking it up? Me!) Never again will I have to worry about garbage odors attracting rodents and insects!

Yes! From now on, I'll dispose of all our burnable rubbish indoors the easy—practical—sanitary way! Just wrap it—drop it in the GAS Incinerator—and forget it! It burns anything burnable—even meat bones—completely—down to a fine, powdery ash. (And incidentally, that ash is a marvelous soil and plant food!)

My husband is all in favor of getting a GAS Incinerator, too. Especially since he asked some of our neighbors how they like theirs. He found they're inexpensive, cost just pennies a day to operate, and actually pay for themselves! When you have a GAS Incinerator, you don't need expensive Scavenger Service!

LET A GAS INCINERATOR MAKE SHORT WORK OF YOUR GARBAGE AND TRASH, TOO!

- Choose from a variety of compact models. There's one for every size family—every budget.
- Most models need no more room than a medium-sized TV set.
- Can be installed in Basement, Garage or Utility Room, wherever a stack or flue is available.
- Low Down Payment • Terms as low as \$1.39 a week.

Stop in at your dealer's or our nearest store and choose your GAS Incinerator!

Even the air you breathe is better!

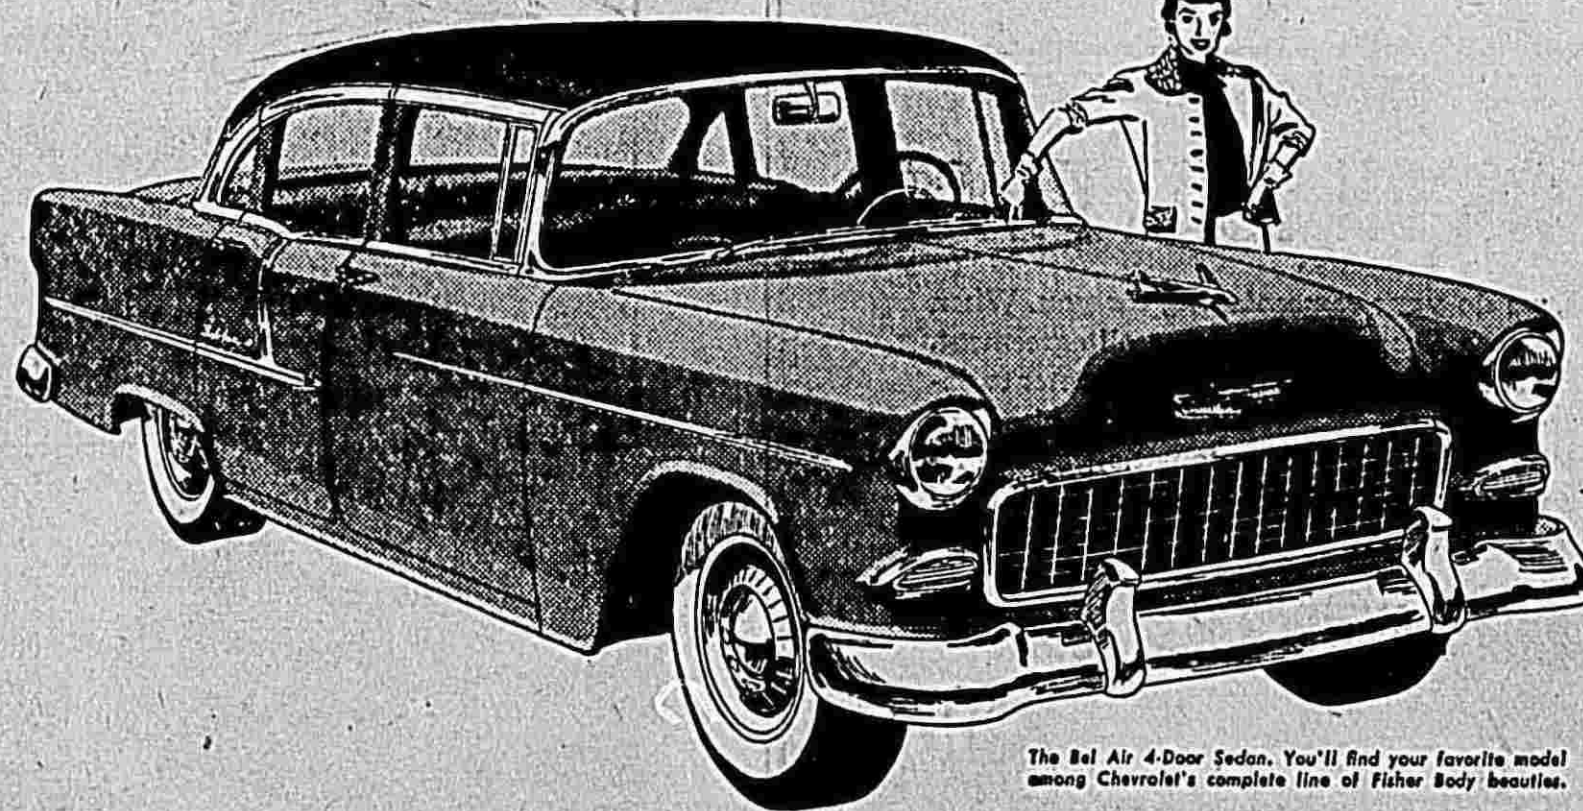

Chevrolet's new
**High-Level
ventilation system**
gives you cleaner, fresher air,
and all you want of it!

Air enters here
at hood-high level—
away from road heat, fumes
and dust!

Only Chevrolet and higher-priced
cars give you a ventilation system
like this!

A special chamber under the ven-
tilation louvers keeps rain out of the
car and supplies you with a more
even flow of air. And it also acts as
a girder, making the car stronger
and safer.

This is just one of the exciting
discoveries you'll make when you
drive the Motoramic Chevrolet!
Come in and see.

The Bel Air 4-Door Sedan. You'll find your favorite model
among Chevrolet's complete line of Fisher Body beauties.

Chevrolet's stealing
the thunder from
the high-priced cars
with
all these comforts
and conveniences, too!

New Anti-Dive braking con-
trol (exclusive with Chev-
rolet) for "heads up" stops!
New Four-Fender visibility!
New Ball-Race steering! An
entirely new ride!
And you can have any or all
of the automatic power fea-
tures* you could wish for!

**1 New Linkage-Type
Power Steering.** Does up
to 80 per cent of the work
for you! Cushions road
shock, too!

**2 New Automatic Window
and Seat Controls.** Raise
and lower windows in front
and rear . . . position the
seat . . . at a finger touch.

3 Improved Power Brakes.
Stop you with up to one-
third less pedal pressure, for
extra ease and safety.

4 New Air Conditioning.
A single compact unit
heats or cools the air to
your liking. Takes up no
trunk space.

*Optional at extra cost. Automatic
Window and Seat Controls available
on Bel Air and "Two-Ten" models.
Air Conditioning on V8 models only.

Everything's new in the
**motoramic
Chevrolet**

SOCIETY EVENTS

Mitzi Wolf Receives D. A. R. Recognition

Mitzi Wolf has been awarded the D. A. R. award for good citizenship this year at Antioch High School. Miss Lorraine Foster, chairman sponsor of the senior class, made the announcement last week after a meeting of the faculty. Mitzi is the daughter of Mr. and Mrs. Herman Sterbenz.

The award is made annually to a senior girl for her qualities of leadership, responsibility, patriotism, and service.

Mitzi is one of the most active seniors at Antioch Township High school. She is a member of the Student Council, G. A. A. and Latin Club. She is also one of the varsity cheerleaders and is active in F. H. A., having served as president last year.

Auxiliary News

Attend District Meeting

Ten members of Antioch Unit, American Legion Auxiliary attended the Tenth district meeting held in Highland Park Wednesday evening. One hundred and fourteen Auxiliary members, from various units of the Tenth district attended the meeting. On the program was a short talk by Aino Tilus, a Finnish student attending Lake Forest college. She expressed her liking for America and compared our customs to those of her native Finland.

Americanism Program on WKRS

Lucy Himens, Americanism chairman of the Tenth District, also of Antioch unit, was in charge of a radio program entitled "Americanism" which was broadcast over WKRS Saturday, Feb. 12. Others assisting on the broadcast were Mrs. Jack Richardson, Grayslake, Mrs. Donald Vanderspool, Mundelein, and Mrs. Emory Kirkman, Libertyville.

Birthday Party

The next meeting of Antioch Unit will be held Feb. 25 in the Legion Home. This will be the annual birthday potluck supper of the unit for all auxiliary members and their husbands. Potluck served at 6:45. Mrs. Bess Dunn, of Waukegan, will be guest speaker, her subject, "Flags That Have Flown Over the United States." Mrs. Dunn has the authentic flags which she will show during her talk. Mrs. Ruth Lippert, Tenth district director, will also be a guest of the unit at the birthday party.

Elected Club Secretary

Miss Gail Ann Detrick of Winsor, Drive, Antioch, has been elected secretary of El Ateneo, Spanish club at Miami University in Oxford, O., where she is a junior in the School of Education. She will serve in this capacity for the current semester ending in May.

At the last meeting of the club, a foreign visitor played and sang various Chilean, Cuban and Spanish numbers for the group.

Antioch Womens Club Host To Federation; Chicago Poet Speaker

The Antioch Woman's club will be hostess to the Lake County Federation at the Scout House Monday. Federation board members will meet early and then tea will be served to all members and guests between 1 and 1:30 p. m.

The program for the afternoon is entitled "Make Personality Work for You," and features Mrs. Patricia Clafford of Chicago.

Mrs. Clafford is a member of the Poets Forum of Chicago; Iota Sigma Epsilon, a journalistic sorority at Northwestern university; and vice president of Pegasus Writers Forum. Her program will be one of the highlights of the current year, for Mrs. Clafford is a writer, poet, and lecturer of great charm.

Mrs. Psiris Convalescing

Mrs. John Psiris of Lake Marie who has been a patient at the Women's and Children's hospital in Chicago for the past three weeks is convalescing at her home. The Psirises had planned to spend the winter in Florida but had to cancel their plans because of Mrs. Psiris' illness.

Stearns' Have New Daughter

Mr. and Mrs. Rex Stearns of Creston, Iowa, announce the birth of a daughter, Debra Anne, born Feb. 7. Mr. and Mrs. Paul Stearns of Bluff Lake are the paternal grandparents.

Altar, Rosary Society Plans Potluck Supper For Parish on Feb. 20

The Altar and Rosary Society of St. Peter's church is sponsoring a potluck supper for the entire parish on Sunday evening, Feb. 20, from 6 to 7:30 p. m. Mrs. Richard Seyfarth is chairman, and her committee comprises Mesdames: Frank Walsh, Fred Dittmer, Walter Forbrich, Robert Gross, Thomas Quilty, Jerome Vogler, Roger Gilday, Sr., Marshall Haydon, Clayton O'Haver, Louis Bauer and Earl Pape. After the supper there will be dancing in the church hall. Bessie Barnes' orchestra and caller will furnish the music from 8 to 11 p. m.

On Shrove Tuesday, Feb. 22, a pancake supper will be served in the school hall for all the parish and friends of St. Peter's. The officers and board of directors of the society will act as the committee in charge and supper will be served from 5 to 7:30 p. m.

The Altar and Rosary Society held its monthly meeting in the school hall Monday evening, Feb. 7. Mrs. Thomas Pecheusek, president, presided and gave a financial report of the society for 1954. After the business meeting, Mrs. Robert Berg and her committee, Mrs. Edward Jacobs, Mrs. Charles Solar and Mrs. Ralph Stollenwerk had the members decorate boxes for each school room, to hold the children's valentines. Refreshments, carrying out the valentine scheme, ice cream, cookies, candy and coffee were served.

Will Talk on Marriage

The Rev. Martin Howard will deliver the sermons on Wednesdays at St. Peter's church dealing with the subject of marriage.

Capped as a Nurse

Miss Lois L. Loecher, a graduate of Antioch Township High school, recently was capped during ceremonies at St. Therese hospital, Waukegan where she is a student nurse in training.

Grade Teams Victorious

The seventh-eighth grade teams of the Antioch Grade School played the Grayslake teams in basketball Tuesday evening winning both games.

Doing Practice Teaching

As part of her teacher-training work at Whitewater State college, Whitewater, Wis., Patsy Keulman, 781 N. Main st., is doing supervised teaching in the fourth grade, where she works under the supervision of the regular classroom teacher.

Card of Thanks
We wish to thank everyone for the kindness and expressions of sympathy shown us during our recent bereavement.
Mr. and Mrs. Charles Cermak, Jr.

Card of Thanks
I wish to thank my friends and neighbors for the cards and flowers sent to me while I was in the hospital.

Army Band to Perform At Zion February 22

The 85th Infantry Division Band has again chosen Zion for the presentation of its third annual concert honoring George Washington, father of the reserve.

The concert will be given in the Zion auditorium at 8 p. m. Tuesday and admission will be free through tickets given out in Zion stores. A capacity audience is assured, and tickets must be obtained early.

Featured this year will be Maurice Whitney's "River Jordan," a fantasy of negro spirituals. Back with the band after an absence of two years during which time they performed with army bands in Germany are Cpl. Charles Paxton and Cpl. Louis Furrer. Paxton will narrate another band original, "Life in an Army Reserve Band." The number will have special effects by Jabez Taylor.

Sequoits Meet . . .

(continued from page 1)
record for points scored in a single game. He drew only three personal fouls throughout.

Clarke and Ben Floyd both scored 15 points and both drew five personal fouls.

For Bensenville Al Cheze was high point man with 15 points while Phil Johnson and Dick Heinrich had 10 each.

N. Chicago Game One-Sided
Saturday night's non-conference game with North Chicago was a one-sided affair throughout, in which the Sequoits tied their scoring record by defeating the Warhawks 91 to 55.

Strange as it may seem, it was a North Chicago player, Willie Thompson, who was high point man for the evening with nine field goals and three free throws for a total of 21 points.

For Antioch Haviland was high with 20 points, Butch Brownlee next with 19, and Ben Floyd a close third with 18 points.

LEGAL NOTICE

TAX SALE NOTICE
Certificate No. 198, Vol. 2, page 124, STATE OF ILLINOIS)
COUNTY OF LAKE) ss.

TO: Occupants or persons in actual possession of real estate hereinafter described.

TO: Jack B. Carpenter, Jr., Nellie B. Carpenter, the persons in whose name the real estate was last assessed for general taxes; to Jack B. Carpenter Jr., Nellie B. Carpenter and Caroline Anderson, the unknown spouses if any of Jack B. Carpenter Jr., Nellie B. Carpenter and Caroline Anderson, and to all unknown owners or parties interested in the real estate hereinafter described, and the County Clerk of Lake County, Illinois.

Take notice, That at a sale of lands and lots for general taxes duly made in the County and State aforesaid, Oliver R. Hughes purchased on the 10th day of November 1952, the real estate described as follows:

Lot 245 in Owner's Subdivision of Lots A to G inclusive in Felter's South View Beach Unit No. 2 in the NE 1/4 of Section 12, Township 40 North, Range 9, E of the 3rd P. M., Lake County, Illinois, according to the plat thereof recorded May 7, 1934 as Document No. 400008 in Book X of Plats, page 6; that the taxes included in the judgment for which

the real estate was sold were the taxes levied and assessed thereon for the year of 1950 and 1951 and prior years. That the time of redemption from said sale will expire on the 27th day of May 1955 by order of extension of redemption date by the County Court, Lake County, Illinois; that all of said proceedings appear in Gen. Case No. 11428 County Court of Lake County, Illinois; that judgment for sale was entered pursuant to order of judgment for sale of said real estate, on October 15, 1952 in said County Court and in said General Case No. 11428 entitled "In the matter of the Application of the County Collector for judgment and sale against lands and lots returned delinquent for non-payment of general taxes for the year of 1950 and prior years" being the same proceedings wherein judgment of sale was entered upon which the above described tax sale was had, praying that the court direct the County Clerk to issue a tax deed conveying the above described real estate to Oliver R. Hughes, if said real estate shall not be redeemed from the said tax sale; that said real estate was last issued and taxed for general taxes in the name of Jack B. Carpenter, Jr.; that Oliver R. Hughes intends to apply to said County Court on May 28, 1955, the extended date by court order aforesaid, for an order for tax deed, if the above described real estate shall not be redeemed from said tax sale, within the time allowed by law.

MEMORIAM

Lester Anthony Elmer Lasco
In sad but loving memory of my
beloved son Lester who passed from
this life Feb. 15, 1954.
Dearest Lester and loving son
How I miss your presence here.

On this world would be a heaven
If I could hear your voice again.
The days are long without you
And nothing seems just right.
O loving son so kind and true
I always pray and think of you.
For I loved you so well no tongue

can tell
How much I loved you and so well.
God loved you too and thought it
best
To take you to His heavenly home
and rest.
Your loving Mother, Brother, Sister

IT'S HERE —

New 1955 Nash Ambassador Country Club

PUBLIC SERVICE COMPANY

If Gas Rate Increase Denied, N.I.G.C. Will Credit Future Acc'ts

Northern Illinois Gas Company has announced that its share of the Natural Gas Pipeline Company of America's proposed \$10,700,000 boost in its wholesale cost of gas to be effective March 2 will increase the bills of bi-monthly residential customers about six cents a month, and gas heat customers approximately 40 cents monthly beginning with bills issued in May.

Subject to the consent of the Illinois Commerce Commission, the increase to the utility's 475,000 customers will be about 3.7 per cent.

The increase will be effected through the operation of Northern Illinois Gas Company's purchased gas adjustment clause under which the company may raise its rates when pipeline companies boost their wholesale prices, or lower the rates when the cost of gas is reduced.

If the full amount of the \$10,700,000 increase requested by the Natural Gas Pipeline company should be denied by the Federal Power Commission, Northern Illinois Gas will return its proportionate share to customers thereafter as credits on bills during the ensuing 12 months. Meanwhile, this additional amount paid by customers to Northern Illinois Gas, through the provisions of the purchased gas adjustment clause in its rate schedule, will be paid to the pipeline company until the Federal Power Commission announces its ruling.

Consumers are now getting a reduction in their bills as the result of the last pipeline rate decrease put into effect recently which limited the gas company's other supplier, the Texas Illinois Natural Gas Pipeline Company, to a wholesale rate less than it had sought.

Farmers Told Sale of Milk Increased by Use Of Vending Machines

The large milk-vending machines which are now found throughout Lake county were an important topic of discussion at this year's annual Farm and Home Week which many Lake county farm families attended in Urbana last week.

These large vending machines which often resemble giant milk cartons helped the county's farmers boost the total consumption of milk in both Lake and McHenry counties, according to Simon Lerner who addressed the Farm and Home audience at the University of Illinois' annual agricultural conference.

Lerner, representing Willowdale Dairy of Antioch, explained that his firm has been using vending machines for less than a year, but it already has more than 20 "milk depots" in Waukegan, McHenry, Libertyville, Woodstock, Antioch, Harvard, Grayslake, Crystal Lake, and Round Lake.

"People like the 24-hour operation and the lower price on milk at the vending machines," Mr. Lerner explained to his large audience. His dairy foresees the vending machine as a profitable way to increase the county's total milk consumption once today's pioneer venders have solved a great many of their problems.

Pvt. John C. Miller Transferred to Japan

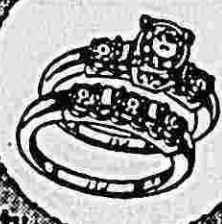

CAMP PENDLETON, CALIF. (F HTNC)—Marine Pvt. John C. Miller, son of Mr. and Mrs. Clarence Miller of Route 4, Antioch, Ill., boarded ship the last week in January for transfer to the 3rd Marine Division in Japan after completing four weeks of training in the staging regiment at the Marine Corps Base here.

The staging regiment handles all last minute training and details for leathernecks slated for duty in the Far East.

A marine's few weeks in staging are filled with clothing and equipment inspections, refresher courses on weapons, physical conditioning, and cold weather survival training.

Not a shift,
but a switch of the pitch

And man! What that does
for Dynaflow!

HOTTEST BUICK IN HISTORY

No wonder you see so many 1955 Buicks on the highways—they're rolling up bigger sales than ever before in history—topping the popularity that has already made Buick one of the "Big Three" in total sales.

This is for sure...

There's never been anything in your car-driving experience like the feel of Buick's new Variable Pitch Dynaflow*—because there's never been anything like it in a car before.

In a modern plane, yes. For this is the principle of variable pitch propellers used on airplanes. Their propeller blades change "pitch" for quick take-off—then change to another "pitch" for better gas mileage in cruising aloft.

Now you can do the same thing on the ground—in a 1955 Buick.

Twenty propeller blades are ingeniously engineered into the Dynaflow

unit. They pivot—one way for a big boost in gas mileage while cruising—another way for brilliant new performance.

You switch the pitch for instantaneous acceleration just by pressing the pedal way down. Then it happens...

A build-up of momentum smooth as oil—and quick as a split second. Dazzling new response on getaway—or a spectacular burst of instant safety-surge power when you need it on a highway.

It's pure thrill—and a happy surprise in its far better gas mileage in cruising. Yet Variable Pitch Dynaflow costs not a penny more than earlier versions of this wonder drive.

How about you trying it?

And look into the sizzling new horse-powers, the fresh new styling, the ever-level ride, the eye-opening low prices—all of which are making the 1955 Buick the hottest seller in all history. Come in this week, won't you?

*Dynaflow Drive is standard on Roadmaster, optional at extra cost on other Series.

Thrill of the year is Buick

MILLBURN

Regular services at Millburn Congregational church Sunday, Feb. 20 will include Sunday school at 9:45 and church service at 11 a. m.

A special meeting of the Millburn Mutual Insurance Co. was held in the church basement Tuesday afternoon, Feb. 8. Eric Anderson was elected president to fill the vacancy caused by the death of his brother, Carl H. Anderson on Jan. 25.

Members of the Mylo club and their husbands and other guests enjoyed a pot luck supper in the church dining room Tuesday evening, followed by square dancing with Don Adams as caller and Warren Lauer furnishing the music.

A special meeting of the officers of the Millburn Cemetery association was held at the home of the secretary, J. Gordon Bonner Monday afternoon. Kenneth Denman was elected director for one year to fill vacancy due to the death of Director Carl H. Anderson.

Members of the Pilgrim Fellowship and Mrs. Messersmith's Sunday School class of high school age had a valentine party in the church recreation room Sunday evening.

One hundred relatives and friends of Miss Una Jean Minto attended the "open house" celebration in her honor in the church recreation room Sunday afternoon from 2 to 5 o'clock. Miss Minto was presented with a gift from the group. She will leave in a few weeks for her home in Pilgrim Place, Claremont, Calif. Guests at the party were from Kenosha, Union Grove, Rochester and Kansasville, Wis.; Habron, River Forest, Waukegan and Millburn.

Mr. and Mrs. Frank Edwards spent Friday at the John Edwards home in Libertyville.

Mr. and Mrs. Howell Kenimer and family moved to Antioch Sunday.

Mr. and Mrs. Eric Anderson and daughter Rebecca and Mrs. Anna Bauman were dinner guests at the home of Dr. W. G. Bauman in Barrington Tuesday evening.

Captain Richard P. Martin of Western Military Academy in Alton, Ill., spent the weekend with his parents, Mr. and Mrs. E. A. Martin.

Mrs. Thomas Welch of Gurnee was a luncheon guest of Mrs. Charles Lucas Monday.

Mrs. Herbert Messner entertained a group of Millburn ladies at dinner Thursday.

Mr. and Mrs. Ed Hoffman and

Get a proved V-8

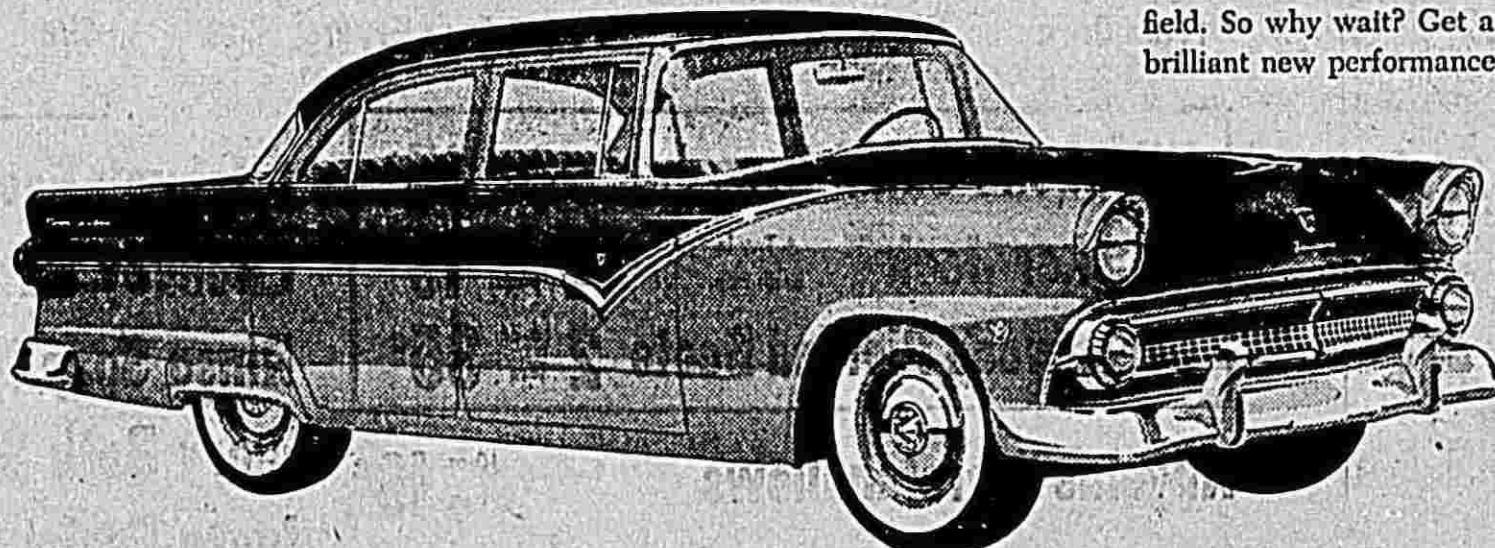

NOW

...a FORD V-8

Built by the world's greatest builder of V-8's

Ford has built more V-8's than all other manufacturers combined ... over 14,000,000! This tremendous V-8 experience has enabled Ford in '55 to turn out in quantity the finest V-8's in the low-price field. So why wait? Get a proved Ford V-8 ... and start enjoying brilliant new performance, and new-car dependability now!

Enjoy Ford's new

Trigger-Torque Power

For '55, Ford offers two advanced V-8's: the brilliant-performing new Y-block V-8 and the even more powerful Y-block Special V-8. Both of these mighty engines deliver Trigger-Torque power, which means you get the power you want when you want it, throughout the entire driving range of your car. With new Trigger-Torque Power you can have split-second starts ... faster passing ability for a greater feeling of security ... the topnotch response at all speeds that makes driving a true delight. And with Ford's high-compression, low-friction

design and deep-block construction, you can enjoy smooth performance and long engine life.

Relax in the smooth comfort

of new Angle-Poised Ride

Ball-Joint Front Suspension, which Ford introduced in its field last year, has proved itself over billions of miles to be one of the greatest contributions ever made to easier riding and handling. And now, for '55 it is still better. Springs are set at an angle so they absorb road shock from the front as well as straight up.

This provides delicate responsiveness to cushion tiny bumps as well as husky "muscle" to flatten the big bumps.

Take your pick from 16

brilliant new Ford Models

This year, you get Thunderbird-inspired styling in any Ford model you choose. You'll find there's a variety of exciting new single and two-tone body colors with charmingly color-keyed Luxury Lounge Interiors.

Come in for a Trigger-Torque Test Drive!
